

# My One Page Profile

## Mr Braidwood

Occupation: Science and Geography teacher

### What people appreciate about me

A kind and caring person who looks after others.

He's very funny and can take a joke.

Very insightful with students.

Very knowledgeable.

He is loyal with a warm personality.

### What I find difficult

I don't like lateness or being stuck in traffic. As I am a dependable person I don't like being let down by people,

### What is important to me now

A job in which I feel valued and staff work well together as a team, irrespective of how challenging or difficult students may be. My friends and family are very important to me and I meet with them regularly.

### What I like

I like eating out and travel, especially travelling out of Europe during the summer holidays. I am a keen member of my local gym and attend at least 6 gym classes a week

### What I dislike

### How to support me

I prefer to be around people who are open and approachable. Being managed by someone who has a clear open door policy, knowing I have a supportive leadership team around me.

### What is important to me in the future?

Remaining positive and optimistic when daily challenges can be difficult.
